

Fill in the gaps

The perfect words never crossed my mind		
'Cause there was nothing in there but you		
I felt every ounce of me screaming out		
But the sound was trapped deep in me		
All I wanted just (1)	right past	me
While I was (2)	_ (3)	to the earth
I could be stuck (4)	for a thousand years	
Without your arms to drag me out		
There you are (5)	riç	ght in front of me
There you are standing (6)	in front of me	
All this fear falls away to leave me naked		
Hold me close		
'Cause I need you to guide me to safety		
No, I wont wait forever		
No, I wont wait forever		
In the confusion and the aftermath		
You are my signal fire		

The only resolution and the only joy		
Is the faint spark of forgiveness in your eyes		
There you are standing (7) in front of m		
There you are standing right in front of me		
All this fear falls away to leave me naked		
Hold me close		
'Cause I need you to guide me to safety		
There you are standing right in front of me		
There you are standing right in front of me		
All this (8) falls away to leave me naked		
Hold me close		
'Cause I need you to guide me to safety		
No, I (9) wait forever		
No, I wont wait forever		
No, I wont wait forever
