

Fill in the gaps

Hopeless Wanderer by Mumford & Sons

You heard my voice	So leave that click in my head
I came out of the woods by choice	And I won't (7) the (8) that
Shelter also gave (1) shade	you said
But in the dark I have no name	You brought me out from the cold
So leave that click in my head	Now, how I long, how I long to grow old
And I will remember the words that you said	So when your hope's on fire
Left a (2) mind and a heavy heart	But you (9) your desire
But I am sure we could see a new start	Don't hold a glass over the flame
So when your hopes on fire	Don't let your heart grow cold
But you know your desire	I will call you by name
Don't hold a (3) (4) the flame	I will (10) your road
Don't let your heart grow cold	Hold me fast, hold me fast
I will (5) you by name	'Cause I'm a hopeless wanderer
I will share your road	Hold me fast, hold me fast
Hold me fast, hold me fast	'Cause I'm a hopeless wanderer
'Cause I'm a hopeless wanderer	I will learn
Hold me fast, hold me fast	I will learn to love the skies I'm under
'Cause I'm a hopeless wanderer	I will learn
I wrestled (6) with my youth	I will learn to love the skies I'm under
We tried so hard to live in the truth	The skies I'm under
But do not tell me all is fine	
When I lose my head, I lose my spine
