

## Fill in the gaps

Late at night when all the world is sleeping		Corazón		
I (1) up and (2)_	of you	No (7)	dejar de pensar en ti	
And i wish on a star that somewhere you are		Como te necesito		
Thinking of me too		Mi amor, como te extraño		
Cause i'm dreaming of you tonight		(translation:		
Till tomorrow, i'll be holding you tight		Sweetheart		
And there's nowhere in the world i'd rather be		I can't stop thinking of you		
Than here in my room dreaming about you and me		How i need you		
Wonder if you ever see me and i		My love, how i miss you)		
Wonder if you know i'm (3) (am i there, am i?)		Late at (8) when all the world is sleeping		
If you looked in my eyes would you see what's inside		I stay up and (9) of you		
Would you even care?		And i still can't believe		
I just wanna hold you close but so far		That you came up to me and said i (10) you		
All i have are (4) of you		I love you too		
So i wait for the day (wait for the day)		Now i'm dreaming with you tonight		
To take the courage to say how much i love you		Till tomorrow (	Till tomorrow (till tomorrow) and for all of my life	
Yes i do		And there's nowhere in the world i'd rather be		
I'll be (5)	of you tonight	Than here in my room		
Till tomorrow, i'll be holding you tight		Dreaming with you endlessly		
And there's (6)	in the world i'd rather be			
Than here in my room drea	ming about you and me
