

Fill in the gaps

All of my life	And the bee's still (13) me
I've been running from the sting	All of my life
Stole the honey from the hive	I've been (14) from the sting
And the bee's still following me	Stole the honey (15) the hive
Lend (1) (2) to (3)	And the bee's still following me
neighbor	Why do good things happen to
Do a girl a favor	Bad bad people?
I might return it later	Why do bad things happen to
I'm salt	Good good people?
It's really not my fault	Why do good things happen to
My heart's on my t-shirt	Bad bad people?
Maybe you could (4) it	Why do bad things (16) to
If the devil were a woman	Good good people?
I wouldn't have to run away	If the devil (17) a woman
If the devil were a woman	I wouldn't have to run away
Maybe she'd understand me	If the (18) were a woman
All of my life	Maybe she'd understand me
I've been running (5) the sting	If the devil were a woman
Stole the honey from the hive	I wouldn't have to run away
And the bee's (6) following me	If the devil (19) a woman
All of my life	Maybe she'd understand me
I've (7) running from the sting	Maybe she'd understand me
Stole the honey from the hive	All of my life
And the bee's still following me	I've been running from the sting
(One, open (8) heart, fly)	Stole the honey from the hive
(Two, (9) retreat see)	And the bee's still (20) me
(Three, go miss a long time)	All of my life
(Four, I will be dreaming)	I've (21) running from the sting
I, I just wanted something sweet	Stole the (22) (23) the hive
And (10) in my kitchen	And the bee's still, bee's still (24) me
So I had to look for something	All of my life
So I took the road less (11) in	I've been running, I've been running
A world so appetizing	The bee's (25) following me
I had to lick the icing	(All of my life)
If the devil were a woman	(I've been running)
I wouldn't have to run away	And the bee's still following me
If the devil (12) a woman	And the bee's still
Maybe she'd understand me	The bee's still (26) me
All of my life	
I've been running from the sting	
Stole the honey from the hive	

1. some
