## The Mother We Share by CHVRCHES

Never took (1) side	As old as your omens
Never cursed your name	And the mother we share
I keep my (2) tight	Will never keep your proud head from falling
Until you go	The way is long
We've come as far	But you can make it easy on me
As we're ever gonna get	And the mother we share
Until you realize	Will never keep our cold hearts from calling
That you should go	Into the night for once
I'm in misery (4) you can seem	We're the only ones left
As old as your omens	I bet you even know
And the mother we share	Where we could go
Will never keep your proud head from falling	And when it all ***** up
The way is long	You put your head in my hands
But you can make it easy on me	It's a souvenir
And the (5) we share	For when you go
Will never keep our cold hearts from calling	I'm in misery where you can seem
In the dead of night	As old as your omens
I'm the only one here	And the mother we share
And I will (6) you	Will never keep your proud head from falling
Until you go	The way is long
'Cause if I told the truth	But you can make it easy on me
I will (7) be free	And the mother we share
And keep a prize with me	Will never keep our cold (9) (10)
