## Loving You by Matt Cardle & Melanie C

Leave your door open	It's not enough for this heart
I wanna come over	Who do you think about when I'm not with you?
The night is only young	Does somebody hold you when you let me go?
I wanna get under your body	You can't hide, you can't lie
Take you over, (1) undone	'Cause baby I'm loving, loving, loving you
But why do we only give it up?	I could tell myself that I don't (5) you
Give it up in the dark	I (6) try to run away from the truth
Cause I can't help thinking	I can't hide, I can't lie
It's not enough	'Cause baby I'm loving, loving, loving you
It's not enough for this heart	Would it change if I asked you to stay?
Who do you think about when I'm not (2) you?	If I pulled, would it push you away?
Does somebody hold you when you let me go?	But it's just the chance I'll take
You can't hide, you can't lie	'Cause I want your loving
Cause baby I'm loving, loving, (3) you	Who do you think about when I'm not with you?
I could tell myself that I don't need you	Does somebody (7) you when you let me go?
I could try to run (4) from the truth	You can't hide, you can't lie
I can't hide, I can't lie	'Cause baby I'm loving, loving, loving you
Cause baby I'm loving, loving, loving you	I could tell myself (8) I don't need you
My door is open	I could try to run away from the truth
Come on over, the night is still young	I can't hide, I can't lie
I wanna get over your body	'Cause (9) I'm loving, loving, loving you
Take you under, come undone	Baby I'm loving, loving, (10) you
But why do we only give it up?	Baby I'm loving, loving, loving you
Give it up in the dark
