

## Fill in the gaps

| I thought the candle was gonna go out      |  |  |  |
|--|--|--|--|
| The wind was blowing and the door was open |  |  |  |
| But the candle never went out              |  |  |  |
| Never went out                             |  |  |  |
| The wave found its way to the shore        |  |  |  |
| I thought it was a ripple and nothing more |  |  |  |
| But the (1) found its way all the way      |  |  |  |
| To the shore                               |  |  |  |
| (Oh oh) I wanna burn (2) house             |  |  |  |
| I know, I wanna jump into the fire         |  |  |  |
| (Oh oh) I've got to tear them down         |  |  |  |
| The pinnacles of my invisible empire       |  |  |  |
| I know the gamble never works twice        |  |  |  |
| All the distractions of the table          |  |  |  |
| And the weighted dice                      |  |  |  |
| But the thrill of it feels so nice         |  |  |  |
| You'd do it all again                      |  |  |  |
| But I look to the (3) and lose             |  |  |  |
| I'm (4) on the platform                    |  |  |  |
| With my neck in the noose                  |  |  |  |
| And I know it's not my time                |  |  |  |
| It's not my time                           |  |  |  |
| (Oh oh) I wanna burn this house            |  |  |  |
| I know, I wanna jump into the fire         |  |  |  |
| (Oh oh) I've got to (5) them down          |  |  |  |

| The pinnacles of my invisible empire    |                                   |                    |  |
|---|-----------------------------------|--------------------|--|
| And if I do all the things I do         |                                   |                    |  |
| W                                       | Well, I tell (6) tha              | t I'm staying true |  |
| Know I'll never stop                    |                                   |                    |  |
| Υ                                       | You (7) I'll never stop           |                    |  |
| Υ                                       | You (8) I'll never think about it |                    |  |
| Put an end to all this time             |                                   |                    |  |
| That I would spend with it on my mind   |                                   |                    |  |
| You know it never stopped               |                                   |                    |  |
| You know it never stopped               |                                   |                    |  |
| You know I always wondered about it     |                                   |                    |  |
| I wondered about the wonder             |                                   |                    |  |
| (Oh oh no oh oh) I wear a rusting crown |                                   |                    |  |
| П                                       | know this (9)                     | is falling         |  |
| The crowd shouts for another round      |                                   |                    |  |
| I see the ruin                          |                                   |                    |  |
| The spectacular                         |                                   |                    |  |
| Diamonds buried                         |                                   |                    |  |
| Icebergs, the minarets                  |                                   |                    |  |
| And the marketplaces                    |                                   |                    |  |
| The signal fires of my invisible empire |                                   |                    |  |
|   |                                   |                    |  |
