

You won't break me, break me

## Fill in the gaps

Lately			'Cause my fire isn't gone	
You've been tearing me down			You can chain me and shake me and change me	
I won't lie			I'll only take it for so long	
Kept my feet on solid ground			So long	
I won't die			Baby, baby you can see it how you want	
I'm not sleeping I'm still dreaming of you			But I'm aching, aching	
Of you			You won't fight for (7)	we've got
Maybe			What I'm needing is healing	
I'm not (1) your side but I'll fight			Believe me	
For the love I see behind your eyes			You kept me waiting for too long	
You've been hiding but I'm looking for you			For too long	
For you			So come and get it	
Baby, (2)	there's not (3)	in your	Before its all gone	
arms			So come and get it	
You won't break me			Before I'm long gone	
Break me 'cause my fire isn't gone			So come and get it	
You can chain me and shake me and change me			Before its all gone	
I'll only take it for so long			So come and get it	
So long				
Baby, baby you can see it how you want			Before I'm long gone	
But I'm aching, aching			Baby, baby there's not refuge in your arms	
You won't (4)	for what we've got		You won't (8)	me, break me
What I'm needing is healing			'Cause my fire isn't gone	
Believe me			You can chain me and shake me and change me	
You kept me waiting for too long			I'll (9) take it for	so long
For too long			So long	
So come and get it		Baby, baby you can see it how you want		
Before its all gone			But I'm aching, aching	
So come and get it			You won't fight for what we've got	
Before I'm long gone			What I'm needing is healing	
I know (5)	believing the truth is hard		Believe me	
Need to make your next move			You kept me waiting for too long	
Because		For too long		
I'm not (6)	you can't leave it to me		So come and get it	
To me				
Baby, baby there's not refuge in your arms
