Two jumps in a week	They're the ones who'll spit at you
I bet you think that's (1) clever	You will be the one screaming out
Don't you boy?	Don't leave me high
Flyin' on your motorcycle	Don't leave me dry
Watching all the ground beneath you drop	Don't leave me high
You'd kill yourself for recognition	Don't (6) me dry
Kill yourself to never, ever stop	(Oh)
You broke another mirror	It's the best (7) that you've (8) hard
You're turning (2) something you are not	The best (9) that you've ever, ever had
Don't leave me high	It's the best thing that you've ever had
Don't leave me dry	The best thing you have had has gone away
Don't leave me high	So don't leave me high
Don't leave me dry	Don't leave me dry
Drying up in conversation	Don't (10) me high
You will be the one who cannot talk	Don't leave me dry
All your insides fall to pieces	Don't leave me high
You just sit there wishing you could (3) make	Don't leave me high
love	Don't leave me dry
They're the ones who'll (4) you	
When you think you've got the world	
All (5) out
