

Fill in the gaps

The mongrel cat came home	And I (5) know why I (6) so
Holding (1) a head	tongue-tied
Proceeded to show it off	Don't know why I feel so skinned alive
To all his newfound friends	My thoughts are (7) and a little naïve
He said "I (2) where I liked	I twitch and I salivate like with myxomatosis
I (3) with who I like	You should put me in a home
She ate me up for breakfast	Or you should put me down
She screwed me in a vice	I got myxomatosis
But now I don't know why I feel so tongue-tied"	I got myxomatosis
I sat in the cupboard	Yeah, no one likes a smart-ass but we all (8) stars
And wrote it down neat	But (9) wasn't my intention
They were cheering and waving	I did it for a reason
Cheering and waving	It must have got mixed up
Twitching and salivating like (4) myxomatosis	Strangled, beaten up
But it got edited, ***** up	I got myxomatosis
Strangled, beaten up	I got myxomatosis
Used in a photo in Time magazine	I don't (10) why I feel so tongue-tied
