

## Fill in the gaps

I (1) sneak (2) into (3)	_ We will sink and be (15) as mice
pocket	While the cat is (16) and do what we want
Invisible, do what you want	Do what we want
Do (4) you want	There's an (17) space (18) my
I (5) (6) and I will disappear	heart
I will slip into the groove	Where the wings (19) root
And cut me up and cut me up	So now I set you free
There's an empty space inside my heart	I set you free
Where the wings (7) root	'Cause all I (20) is the (21)
So now I'll set you free	(22) a stick
I'll set you free	Just to see what if
There's an empty space (8) my heart	Just to see what it is
Where the (9) root	Take the lotus flowers into my room
So now I'll set you free	Slowly we unfold
I'll set you free	As (23) flowers
Slowly we unfold	'Cause all I want is the (24) upon a stick
As lotus flowers	Dance around a pit
'Cause all I want is the moon upon a stick	The darkness is beneath
Just to see what if	I can't kick the habit
Just to see what it is	Just to feed my fast ballooning head
I can't kick the habit	Listen to your heart
Just to (11) (12) (13)	
ballooning head	
Listen to (14) heart
