

Can't keep away
(Oh) can't keep away, no

## Fill in the gaps

n the still of the night	You gotta give me love
hear the wolf howl, honey	You gotta give me some lovin' everyday
Sniffing around your door	I can't keep away
n the (1) of the night	(Ooh) baby
feel my heart beating heavy	(Ooh) Lord
Telling me I gotta have more	(Ahh)
n the shadow of night	Get over here, baby
see the (2) moon rise	In the still of the night
Telling me what's in store	I hear the wolf howl, honey
My heart start aching	Sniffing around (4) door
My body start a-shaking	In the still of the night
And I can't take no more	I feel my heart beating heavy
No, no	Telling me I gotta have more
Now I (3) wanna get close to you	(Ooh)
An' taste your love so sweet	Mama
And I just wanna make love to you	Now I just wanna get (5) to you
Feel your body heat	An' (6) your (7) so sweet
n the still of the night	And I (8) wanna make love to you
n the still of the night	Feel your body heat
Over here, baby	In the (9) of the night
n the heat of the day	(Ooh) yeah
hang my head down low	In the still of the night
And hide my face from the sun	I will be sneakin' 'round your door
Through the light of the day	In the still of the night
Until the evening time	In the still of the night
'm waiting for the night to come	Ain't (10) gonna stop me now
(Ooh) baby	Still of the night
n the still of the night	Still of the night
n the cool moonlight	Still of the night
feel my heart is aching	Still of the night
n the still of the night	Still of the night
(Ooh) baby	Still of the night
(Ooh) baby	Still of the night
Can't keep away	Still of the night
	Still of the night
Need you closer	Still of the night
can't keep away	Still of the night
can't keep away
