SUB inglés

Fill in the gaps

You Belong With Me by Taylor Swift

That what you're looking for has been here the whole time

ou're on the phone with your girlfriend, she's upset	If you could see that I'm the one who understands you
She's going off about something that you said	Been here all along, so why can't you see?
Cause she doesn't get your humor like I do	You belong with me
'm in the room, it's a typical Tuesday night	Standing by and waiting at your back door
m listening to the kind of music she doesn't like	All this time how could you not know?
And she'll (1) know your story like I do	Baby, you belong with me, you belong with me
But she wears (2) skirts, I wear T-shirts	Oh, I remember you driving to my house in the middle of the
She's Cheer Captain and I'm on the bleachers	night
Dreaming about the day when you wake up and find	I'm the one who makes you laugh when you know you're 'bout
That what you're looking for has been here the whole time	to cry
f you could see that I'm the one who understands you	And I know your favorite songs and you tell me 'bout your
Been here all along, so why can't you see?	dreams
You, you belong with me, you (3) with me	Think I know (9) you belong, think I know it's
Valking the streets with you and your worn-out jeans	with me
can't (4) thinking this is how it ought to be	Can't you see that I'm the one who understands you?
aughing on a park bench, thinking to myself	Been here all along, so why can't you see?
Hey, isn't this easy?	You belong with me
And you've got a (5) (6) could light	Standing by and waiting at your back door
up this whole town	All this time, how could you not know?
haven't seen it in a while since she brought you down	Baby, you belong with me, you belong with me
ou say you're fine, I know you (7)	You belong with me
8) that	Have you ever thought just maybe
Hey, what ya doing with a girl like that?	You belong with me?
She wears high heels, I wear sneakers	You belong (10) me
She's Cheer Captain and I'm on the bleachers	
Dreaming about the day when you wake up and find
