You Belong With Me by Taylor Swift

You're on the phone with your girlfriend, she's upset
She's going off about something (1)_____ you said
'Cause she doesn't get your humor like I do
I'm in the room, it's a typical Tuesday night
I'm listening to the (2)_____ of music she doesn't like
And she'll (3)_____ know (4)_____ story like I do
But she wears short skirts, I wear T-shirts
She's Cheer Captain and I'm on the bleachers
Dreaming about the day when you wake up and find
That what you're looking for has (5)_____ here the whole
time
If you could see that I'm the one who understands you
Been here all along, so why can't you see?
You, you belong with me, you belong with me
Walking the streets with you and your worn-out jeans
I can't help thinking this is how it ought to be
Laughing on a park bench, thinking to myself
Hey, isn't this easy?
And you've got a smile that could light up this whole town
I haven't seen it in a while since she brought you down
You say you're fine, I know you better than that
Hey, (6)_____ ya doing with a girl like that?
She wears high heels, I wear sneakers
She's Cheer Captain and I'm on the bleachers
Dreaming about the day when you wake up and find
That (7)_____ you're looking for has been (8)_____
the whole time

If you could see that I'm the one who understands you
Been here all along, so why can't you see?
You belong with me
Standing by and waiting at your back door
All this time how could you not know?
Baby, you belong with me, you belong with me
Oh, I remember you driving to my house in the middle of the
night
I'm the one who makes you laugh when you know you're 'bout
to cry
And I know your favorite songs and you tell me 'bout your
dreams
Think I know where you belong, think I know it's with me
Can't you see that I'm the one who understands you?
Been (9)_____ all along, so why can't you see?
You belong with me
Standing by and waiting at your back door
All this time, how could you not know?
Baby, you belong with me, you belong with me
You belong with me
Have you ever thought (10)_____ maybe
You belong with me?
