## SUB ingles

Somewhere in it

I've been stuck now so long
We just got the start wrong

## Haven't Had Enough by Marianas Trench

Testing, testing, I'm (1) suggesting	One more last try
You and I might not be the best thing	Imma get the (5) right
Exit, exit, somehow I guessed it right	You can't stop this
Right	And I must insist that you haven't had enough
But I still want ya, want ya	You haven't had enough
Don't mean to taunt ya	Stuck now so long
If you leave now, I'll come back and haunt ya	We just got the (6) wrong
You'll remember, return to sender now	No more (7) place
Now	You better get your story straight
Well, I just wish we could go back	You can't stop this
One more time and begin it	And I must insist (8) you haven't had enough
Back before I lost myself somewhere	You haven't had enough
Somewhere in it	Don't ya need it?
I've been stuck now so long	Don't ya want this at all?
We just got the start wrong	Testing, testing, I'm just suggesting
One more last try	Don't ya need it?
Imma get the ending right	Don't ya wan't this at all?
You can't (2) this	Testing, testing, I'm just suggesting
And I must insist that you haven't had enough	
You haven't had enough	Stuck now so long
Stuck now so long	We just got the start wrong
We just got the start wrong	One more last try
No more last place	Imma get the ending
You better get your story straight	You can't stop this
You can't stop this	And I must insist that you haven't had enough
And I must insist that you haven't had enough	You haven't had enough
You haven't had enough	Stuck now so long
I still need ya, need ya	We just got the start wrong
Don't mean to (3) ya	No (9) last place
If you want me, I'll come back and meet ya	You better get your story straight
Whisper, whisper, you must admit you want it	You can't stop this
You, you (4) it	And I must insist (10) you haven't had enough
Well, I just wish we could go back	You haven't had enough
One more time and begin it	Testing, testing, I'm just suggesting
Back before I lost myself somewhere	You and I might just be the best thing
