

Fill in the gaps

Miserable At Best by Mayday Parade

Katie, don't cry, I know	'Cause nothing feels like home
You're trying (1) hardest	You're a (17) miles away
And the (2) part is letting go	And the (18) part of living is just
Of the (3) we shared	Taking breaths to stay
Ocala is (4) and you (5) it's	'Cause I (19) I'm (20) for something
haunting	I just haven't (21) it yet
But compared to your eyes	But I need it
Nothing (6) (7) as bright	So let's not pretend like you're alone tonight
And (8) we look to the sky	I know he's there and
It's not mine, but I want it so	You're probably hanging out and making eyes
Let's not (9) (10) you're alone	While across the room, he stares
tonight	I'll bet he (22) the nerve to (23) the floor
I know he's there and	And ask my girl to dance
You're probably hanging out and (11) eyes	She'll say yes
While (12) the room, he stares	Because these words were never easier
I'll bet he gets the nerve to walk the floor	For me to say
And ask my girl to dance	Or her to (24) guess
She'll say yes	But I guess
Because these words were never easier	That I can live without you but
For me to say	Without you I'll be miserable
Or her to second guess	And I can (25) without you but
But I guess	Without you I'll be miserable
That I can live without you but	And I can live without you but
Without you I'll be miserable at best	(Oh) (26) you I'll be miserable at best
You're all that I (13) I'd find	
In every (14) way	
And (15) I would give	
ls (16) you couldn't take
