

Hope I get the chance to travel the world

Fill in the gaps

Wake Me Up by Avicii & Aloe Blacc

Feeling my way through the darkness	But I don't have any plans
Guided by a beating heart	Wish that I could stay (5) this young
I can't tell (1) the journey (2) end	Not afraid to close my eyes
But I (3) where to start	Life's a game made for everyone
They tell me I'm too young to understand	And love is the prize
They say I'm caught up in a dream	So (6) me up when it's all over
Well, life will pass me by if I don't open up my eyes	When I'm wiser and I'm older
Well that's fine by me	All this time I was finding myself and I
So wake me up when it's all over	Didn't (7) I was lost
When I'm wiser and I'm older	So (8) me up when it's all over
All this time I was finding myself and I	When I'm wiser and I'm older
Didn't know I was lost	All (9) time I was finding myself and I
So wake me up when it's all over	Didn't know I was lost
When I'm wiser and I'm older	I didn't know I was lost
All this time I was finding myself and I	I didn't (10) I was lost
Didn't know I was lost	I didn't know I was lost
	I didn't know (didn't know, didn't know)
I tried carrying the weight of the world	
But I (4) have two hands	

- 1. where
- 2. will
- 3. know
- 4. only
- 5. forever
- 6. wake
- 7. know
- 8. wake
- 9. this
- 10. know
