

Fill in the gaps

Fight the (1) alone	On (14)	wings I'm falling
When the world is full of victims	And it won't be long	
Dims a fading (2) in our souls	The skin on me is burning	
Leave the (3) alone	By the (15)	of the sun
How we all are slowly changing	On (16)	knees I'm bleeding
Dims a fading light in our souls	And it won't be long	
In my opinion seeing is to know	I've got to (17)	(18) meaning
The (4) we (5) are always first to	And I'll (19)	for so long
go	Set a-free all	
And who's to say we won't end up alone	Relying on (20)	will
On broken wings I'm falling	To make me all that I am	
And it won't be long	And all that I'll be	
The skin on me is burning	Set a-free all	
By the (6) of the sun	Will (21) between the cracks	
On skinned (7) I'm bleeding	With memories of all that I am	
And it won't be long	And all that I'll be	
I've got to find (8) meaning	On broken (22)	I'm falling
And I'll (9) for so long	And it won't be long	
Cry ourselves to sleep	The skin on me is burning	
We will sleep alone forever	By the fires of the sun	
Will you lay me down	On (23)	knees I'm bleeding
In the same place (10) all I love	And it won't be long	
Mend the broken homes	I've got to (24)	_ that meaning
Care for (11) they are our brothers	And I'll search for so lor	ng
Save the fading light in our souls		
In my opinion (12) is to know		
What you give (13) always carry you		
Who's to say we won't survive it too
