Fill in the gaps

Blurred Lines by Robin Thicke & Pharrell & T.I.

Everybody get up
Everybody get up
If you can't hear
What I'm trying to say
If you can't read
From the same page
Maybe I'm going deaf
Maybe I'm going blind
Maybe I'm out of my mind (everybody get up)
Ok, now he was close
Tried to domesticate you
But you're an animal
Baby it's in your nature
Just let me liberate you
You don't (1) no takers
That man is not your maker
And that's why I'mma take a good girl
I know you want it
I know you want it
I know you want it, you're a good girl
Can't let it get passed me
You're far from plastic
Talking about (2) blasted
I hate these blurred lines
I know you (3) it
I know you want it
I know you want it, but you're a good girl
The way you grab me
Must wanna get me nasty

Go ahead get at me
What do they make them dreams for
When you got (4) jeans on
What do we need steam for
You the (5) bitch in this place
I feel so lucky
You wanna hug me
What rhymes with hug me
Ok, now he was close
Tried to domesticate you
But you're an animal
Baby it's your nature
Just let me liberate you
You don't need no takers
That man is not your maker
And that's why I'mma take a good girl
I know you want it
I know you want it
I know you want it, you're a good girl
Can't let it get passed me
You're far from plastic
Talking about getting blasted (everybody get up)
I hate these blurred lines (I hate them lines)
I know you (6) it (I hate them lines)
I know you want it (I hate them lines)
I know you want it but you're a (7) girl
The way you grab me
Must wanna get me nasty
Go ahead get at me

One thing I ask you

Fill in the gaps

Fill in the gaps

Let me be the one you back that ass into
Yo, from Malibu to Paribu, yeah
Had a bitch, but she ain't bad as you, so
Hit me up when you pass through
I'll give you something big enough to tear your ass to
Swag on, even when you dress casual
I mean it's not almost unbereable
Then honey when you're not there when I'm
With my foresight bitch you pay me by
Nothing like your last guy he's too square for you
He don't smack that ass and pull your hair like that
So I (8) watch
Hand wave
For you to salute
But you didn't pick
Not many women can refuse (9) pimping
But I'm a nice guy
But you get it if you get with me
Shake that vibe
Get down
Get up
Do you like it hurt
Like it hurt
What you doing like word
Baby can you breathe
I got this from Jamaica
It always works from me
Dakota to Dakata

No more pretending

'Cause now you're winning

Everybody get up

Everybody get up

riere's our beginning
I always wanted a good girl
I know you want it
I know you want it
I know you want it, you're a good girl
Can't let it get passed me
You're far from plastic
Talking about getting blasted
I hate these blurred lines (everybody get up)
I know you (10) it
I know you want it
I know you want it, but you're a good girl
The way you grab me
Must wanna get me nasty
Go ahead get at me
