Fill in the gaps

Blurred Lines by Robin Thicke & Pharrell & T.I.

Everybody get up

Everybody get up

If you can't hear

What I'm trying to say

If you can't read

From the same page

Maybe I'm going deaf

Maybe I'm (1)_____ blind

Maybe I'm out of my mind (everybody get up)

Ok, now he was close

Tried to domesticate you

But you're an animal

Baby it's in your nature

Just let me (2)_____ you

You don't need no takers

That man is not your maker

And that's why I'mma take a good girl

I know you want it

I know you want it

I know you want it, you're a good girl

Can't let it get passed me

You're far from plastic

Talking about getting blasted

I hate these blurred lines

I know you want it

I know you want it

I know you want it, but you're a good girl

The way you grab me

Must wanna get me nasty

Fill in the gaps

Go ahead get at me

What do (3)_____ make them dreams for

When you got them jeans on

What do we need steam for

You the hottest bitch in this place

I feel so lucky

You wanna hug me

What rhymes with hug me

Ok, now he was close

Tried to domesticate you

But you're an animal

Baby it's your nature

Just let me liberate you

You don't need no takers

That man is not your maker

And that's why I'mma take a good girl

I know you want it

I know you want it

I know you want it, you're a good girl

Can't let it get passed me

You're far from plastic

Talking about getting blasted (everybody get up)

I hate these (4)_____ lines (I hate them lines)

I know you want it (I hate them lines)

I know you want it (I hate them lines)

I know you want it but you're a good girl

The way you grab me

Must wanna get me nasty

Go ahead get at me

One thing I ask you

Fill in the gaps

Let me be the one you back (5)_____ ass into

Yo, (6)_____ (7)_____ to Paribu, yeah

Had a bitch, but she ain't bad as you, so

Hit me up when you pass through

I'll give you something big enough to tear your ass to

Swag on, even when you dress casual

I mean it's not almost unbereable

Then honey when you're not there when I'm

With my foresight bitch you pay me by

Nothing like your last guy he's too square for you

He don't smack that ass and pull your hair like that

So I jail watch

Hand wave

For you to salute

But you didn't pick

Not many women can refuse this pimping

But I'm a nice guy

But you get it if you get with me

Shake that vibe

Get down

Get up

Do you like it hurt

Like it hurt

What you doing like word

Baby can you breathe

I got this from Jamaica

It always works from me

Dakota to Dakata

No more pretending

'Cause now you're winning

Fill in the gaps

Here's our beginning
