Bills, Bills by Destiny's Child

Fill in the gaps

At first we started out real cool	Who don't know (5) a man's about
Taking me places I ain't never been	Can you pay my bills
But now, you're getting comfortable	Can you pay my telephone bills
Ain't doing those things you did no more	Can you pay my automo-bills
You're slowly making me pay for things	If you did then maybe we could chill
Your money should be handling	I don't think you do
And now you ask to use my car (car)	So, you and me are through
Drive it all day and don't fill up the tank	Can you pay my bills
And you have the audacity to even come and step to me	Can you pay my telephone bills
Ask to hold some money from me	Can you pay my automo-bills
Until you get your check nextweek	If you did then maybe we could chill
You trifling, good for nothing type of brother	I don't think you do
(Oh) Silly me, why haven't I found another	So, you and me are through
A baller	You trifling, good for nothing type of brother
When times get hard he's the one to (1) me out	(Oh) silly me, why haven't I found another
Instead of a scrub like you	You trifling, good for nothing (6) of brother
Who don't know what a man's about	(Oh) silly me, why haven't I (7) another
Can you pay my bills	You trifling, good for (8) type of brother
Can you pay my telephone bills	(Oh) silly me, why haven't I found another
Can you pay my automo-bills	You trifling, good for nothing type of brother
If you did then maybe we could chill	(Oh) silly me, why haven't I found another
I don't think you do	Can you pay my bills
So, you and me are through	Can you pay my telephone bills
Now you've been maxing out my card (card)	Can you pay my automo-bills
Givin' me bad credit	If you did then maybe we could chill
Buyin' gifts with my own name	I don't think you do
Haven't paid the first bill	So, you and me are through
But you're steady heading to the mall	Can you pay my bills
Goin' on shopping sprees	Can you pay my telephone bills
Perpetrating to your friends like you be ballin'	Can you pay my automo-bills
And then you use my cell phone (phone)	If you did then maybe we could chill
Calling whoever that you think at home and then	I don't think you do
When the bill comes all	So, you and me are through
Of a sudden you be acting dumb	Can you pay my bills
Don't know where none of these calls come from	Can you pay my telephone bills
When your momma's number's here more than once	Can you pay my automo-bills
You trifling, good for nothing type of brother	If you did then maybe we could chill
Silly me, why haven't I found another	I don't think you do
A baller	So, you and me are through
When (2) get hard he's the one to (3)
