

Walk by Foo Fighters

A million miles away Your signal in the distance To whom it may concern I think I lost my way Getting good at starting over Every time (1)_____ I return I'm learning to (2)_____ again I believe I've (3)_____ long enough Where do I begin? _____ to talk again I'm (4)___ Can't you see I've waited long enough Where do I begin? Do you remember the days We built these paper mountains Then sat and watched them burn I think I found my place Can't you feel it growing stronger Little conquerors I'm learning to walk again I believe I've waited long enough Where do I begin? I'm learning to talk again I believe I've waited long enough Where do I begin? Now For the very first time Don't you pay no mind Set me free

Again

You keep alive a moment at a time
