

## Fill in the gaps

A (1) miles away	But still (12) a whisper to a riot
Your (2) in the distance	To sacrifice but knowing to survive
To whom it may concern	The first to (13) (14)
I think I (3) my way	(15) of mind
Getting good at starting over	I'm on my knees, I'm praying for a sign
Every time (4) I return	Forever, whenever
I'm learning to walk again	I never wanna die
I believe I've waited (5) enough	I never wanna die
Where do I begin?	I (16) wanna die
I'm (6) to talk again	I'm on my knees
Can't you see I've waited long enough	I (17) (18) die
Where do I begin?	I'm dancing on my grave
Do you remember the days	I'm running (19) the fire
We built (7) paper mountains	Forever, whenever
Then sat and (8) them burn	I never wanna die
I think I found my place	I never wanna leave
Can't you feel it (9) stronger	I (20) say goodbye
Little conquerors	Forever, whenever
I'm learning to walk again	Forever, whenever
I believe I've waited long enough	I'm learning to walk again
Where do I begin?	I believe I've (21) enough
I'm learning to talk again	Where do I begin?
I believe I've waited long enough	I'm (23) to (24) again
Where do I begin?	Can't you see I've (25) long enough
Now	Where do I begin?
For the very first time	I'm learning to walk again
Don't you pay no mind	I (26) I've waited (27) enough
Set me free	I'm (28) to talk again
Again	Can't you see I've waited long enough
You (10) alive a (11) at a time
