

But I'm here in my mold

Fill in the gaps

Bitter Sweet Symphony by The Verve

'Cause it's a (1) symphony, this	I am (14) in my mold
life	And I'm a million (15) people
Trying to make ends meet	From one day to the next
You're a (2) to money then you die	I can't (16) my mold
I'll take you (3) the (4) road I've ever	No, no, no, no
been down	I can't change and you know
You know the one that (5) you to the places	I can't (17) it
Where all the veins meet, yeah	'Cause it's a bittersweet symphony, (18) life
No change, I can change	Trying to (19) ends meet
I can change, I can change	Trying to (20) some money (21) you die
But I'm (6) in my mold	You (22) I can change, I can change
I am (7) in my mold	I can change, I can change
But I'm a (8) different people	But I'm here in my mold
From one day to the next	I am here in my mold
I can't (9) my mold	And I'm a million (23) people
No, no, no	From one day to the next
Well, I've (10) prayed	I can't change my mold
But tonight I'm on my knees, yeah	No, no
I need to hear (11) sounds	No, no, no
That recognize the (12) in me, yeah	
I let the melody shine	I'll take you down the only road I've (24) been
Let it (13) my mind, I feel free now	down
But the air waves are clean	I'll take you (25) the only (26) I've eve
And there's nobody singing to me now	been down
No change, I can change	•••
I can change, I can change
