### Fill in the gaps

#### Bitter Sweet Symphony by The Verve

'Cause it's a (1) symph	nony, I am here in my mold
(2) life	And I'm a million different people
Trying to make ends meet	From one day to the next
You're a (3) to money then you die	I can't change my mold
I'll take you (4) the only road I've ever been d	own No, no, no, no
You know the one that takes you to the places	I can't change and you know
Where all the veins meet, yeah	I can't change it
No change, I can change	'Cause it's a bittersweet symphony, this life
I can change, I can change	Trying to make ends meet
But I'm here in my mold	Trying to (5) some money then you die
I am here in my mold	You know I can change, I can change
But I'm a million different people	I can change, I can change
From one day to the next	But I'm here in my mold
I can't change my mold	I am here in my mold
No, no, no	And I'm a million different people
Well, I've never prayed	From one day to the next
But tonight I'm on my knees, yeah	I can't (6) my mold
I need to hear some sounds	No, no
That recognize the pain in me, yeah	No, no, no
I let the melody shine	
Let it cleanse my mind, I feel free now	I'll take you down the only (7) I've (8)
But the air waves are clean	been down
And there's nobody singing to me now	I'll take you (9) the only (10) I've ever
No change, I can change	been down
I can change, I can change
