Rolling in the deep...

Fill in the gaps

Rolling In The Deep (Cover) by VÃ;zquez Sounds & Adele

There's a fire starting in my heart	You had my heart inside your hand
Reaching a fever pitch and it's bringing me out the dark	But you played it with the beat
Finally, I can see you crystal clear	We could have had it all
Go ahead and sell me out and I'll lay your ship bare	Rolling in the deep
See how I'll leave every piece of you	You had my heart inside your hand
Don't underestimate the things that I will do	But you played it with a beating
There's a fire (1) in my heart	Throw your soul through every open door
Reaching a fever pitch and it's bring me out the dark	Count your blessings to find what your (6) for
The scars of your love remind me of us	Turn my sorrow (7) treasured gold
They keep me thinking that we (2) had it all	You'll pay me back in kind
The scars of your love, they leave me breathless	And reap just what you've sown
I can't help feeling	We could have had it all
We could have had it all	We could have had it all
Rolling in the deep	It all, it all, it all
You had my heart inside your hand	We could have had it all
But you (3) it with the beat	Rolling in the deep
Baby, I have no story to be told	You had my heart inside (8) hand
But I've heard one on you	But you played it with the beat
And I'm gonna make your head burn	We could (9) had it all
Think of me in the depths of (4) despair	Rolling in the deep
Make a home down there as mine sure won't be shared	You had my heart inside your hand
The (5) of your love remind me of us	But you played it
