Fill in the gaps

Rolling In The Deep (Cover) by VÃ;zquez Sounds & Adele

There's a (1) starting in my heart	You had my (21) inside your hand
Reaching a fever pitch and it's bringing me out the dark	But you played it with the beat
Finally, I can see you crystal clear	We could have had it all
Go (2) and sell me out and I'll lay your ship bare	Rolling in the deep
See how I'll leave (3) piece of you	You had my heart (22) your hand
Don't underestimate the things that I (4) do	But you played it with a beating
There's a (5) starting in my heart	Throw your (23) through every open door
Reaching a (6) (7) and it's bring	Count your blessings to find what your look for
me out the dark	Turn my sorrow into treasured gold
The scars of your (8) (9) me of us	You'll pay me back in kind
They keep me thinking that we (10) had it all	And reap (24) what you've sown
The scars of your love, (11) leave me breathless	We could have had it all
I can't help feeling	We could have had it all
We could have had it all	It all, it all, it all
Rolling in the deep	We could have had it all
You had my (12) inside your hand	Rolling in the deep
But you played it with the beat	You had my (25) inside your hand
Baby, I have no story to be told	But you played it with the beat
But I've (13) one on you	We could have had it all
And I'm gonna make your (14) burn	Rolling in the deep
Think of me in the depths of your despair	You had my (26) inside your hand
Make a (15) down there as mine sure won't be	But you (27) it
shared	You played it
The scars of (16) (17) remind me of us	You (28) it
They (18) me thinking (19) we	You played it to the beat
(20) had it all	
The scars of your love, they leave me breathless	
I can't help feeling	
We could have had it all	
Rolling in the deep
