There's a fire starting in my heart
Reaching a fever pitch and it's (3)_____ me out the
dark
The scars of your love (4)_____ me of us
They keep me thinking (5)_____ we almost had it all
The (6)_____ of your love, they leave me breathless
I can't help feeling
We could have had it all...
Rolling in the deep...
You had my heart inside your hand
But you played it with the beat
Baby, I have no story to tell
But I've heard one on you
And I'm gonna make your head burn
Think of me in the depths of your despair
Make a (7)_____ down there as mine (8)_____
won't be shared
The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling
We could have had it all...
Rolling in the deep...

You had my heart inside your hand
But you played it with the beat
We could have had it all...
Rolling in the deep...
You had my heart inside your hand
But you played it with a beating
Throw your soul through every open door
Count your blessings to find what your look for
Turn my sorrow into treasured gold
You'll pay me back in kind
And reap (9)_____ what you've sown
We could have had it all...
We could have had it all...
It all, it all, it all
We could have had it all...
Rolling in the deep...
You had my heart inside your hand
But you played it (10)_____ the beat
We could have had it all...
Rolling in the deep...
You had my heart inside your hand
But you played it
You played it
You played it
You played it to the beat
