

## Fill in the gaps

Suzanne takes you down to her place near the river	
You can hear the boats go by	
You can spend the night beside her	
And you know, she's half crazy	
It's why you want to be there	
She feeds you tea and oranges	
That come all the way from China	
And just when you mean to (1) her	
You have no love to (2) her	
She gets you on her wavelength	
And she lets the river answer	
You've always been her lover	
And you want to travel with her	
And you want to travel blind	
And (3) she (4) trust you	
And (3) sile (4) trust you	
For you've touched her perfect body with your mind	
For you've touched her perfect body with your mind	
For you've touched her perfect body with your mind Jesus was a sailor	
For you've touched her perfect body with your mind Jesus was a sailor When He walked upon the water	
For you've touched her perfect body with your mind Jesus was a sailor When He walked upon the water And He spent a long time watching	
For you've touched her perfect body with your mind Jesus was a sailor When He walked upon the water And He spent a long time watching From His lonely wooden tower	
For you've touched her perfect body with your mind Jesus was a sailor When He walked upon the water And He spent a long time watching From His lonely wooden tower And when He knew for certain	then
For you've touched her perfect body with your mind Jesus was a sailor When He walked upon the water And He spent a long time watching From His lonely wooden tower And when He knew for certain Only drowning men could see Him	then
For you've touched her perfect body with your mind Jesus was a sailor When He walked upon the water And He spent a long time watching From His lonely wooden tower And when He knew for certain Only drowning men could see Him He said,"All men will be (5)	then
For you've touched her perfect body with your mind Jesus was a sailor When He walked upon the water And He spent a long time watching From His lonely wooden tower And when He knew for certain Only drowning men could see Him He said,"All men will be (5) Until the sea shall free them"	then

He sank beneath your wisdom like a stone
And you want to travel with him
You want to (6) blind
And you know he will find you
For he's touched your perfect body with his mind
Suzanne takes your hand now
And she leads you to the river
She is wearing rags and feathers
From Salvation (7) counters
And the sun pours down like honey
On our, our lady of the harbor
She shows you where to look
Among the garbage and the flowers
There are heroes in the seaweed
There are children in the morning
They are leaning out for love
And they will lean that way forever
While Suzanne holds the mirror
And you want to (8) with her
You want to (9) blind
And you know she'll find you
For she's touched your perfect (10) with her mind
