Thinking About You by Calvin Harris & Ayah Marar

If I told you	And I know that
That this couldn't get better, baby	My life will never be the same
And your heart beat	You're the (6) one that's making (7)
It let's me (1) you (2) the same	to me
I can hold you	When I close my eyes you're the one I see
Keep you safe until you fall asleep	There's no other way
Never worry	I can ever be
'Cause I can give you what you need	Without you babe
Now everything I do	Now everything I do
Is all for loving you	Is all for loving you
Is not something that we're used to	Is not something that we're used to
No other way to say	No other way to say
I need you everyday	I need you everyday
And now I'm gonna change my ways	And now I'm gonna change my ways
And it's a part of you	And it's a part of you
I never wanna lose	I never wanna lose
I'd do anything you want me to	I'd do anything you want me to
Like any other day	Like any other day
I know I'll find a way	I know I'll find a way
And if (3) I'm alone, you say	And if (8) I'm alone, you say
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking (4) you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking (9) you
I'll be (5) about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
