SUB inglés

With you up in it (come on)

Fill in the gaps

Cruise (Remix) by Florida Georgia Line & Nelly

	So, baby, you a song
Baby, you a song	You make me wanna (18) my windows down
You make me wanna roll my windows down	And cruise
And cruise	My windows down, my seats back
I got my (1) down	My music up, and we ride
And the radio up, get (2) (3) up	Her legs up on my dashboard
What up Nelly, alright	And it's just the way I like
I got my windows down	Hey, country girl, this country boy
And the (4) up, get your radio up	Like everything about you
Yeah, (5) I first saw that bikini top on her	Don't change a thing, no way
She's poppin' right out	You stay the same, I got you
Of the South Georgia water	I like saw that, all that
Thought, oh, good Lord	Head to toe you all that
She had them long tanned legs	Tell ole boy he (19) back
Couldn't help (6) so I walked up and said	Send a text say, "fall back" 'cause
Baby, you a song	I can see you got a thing for the fast life
You make me wanna roll my windows down	So come on, shawty
And cruise	Let me show you what the fast like
Down a (7) road blowin' stop	Whipping 'cross the border
Signs (8) the middle	Florida into Georgia
Every little farm town with you	'Cause, baby, you a song
And this brand new Chevy (9) a lift kit	And you make me (20) roll my
Would (10) a hell a lot better	(Roll my, roll my, r-r-roll)
With you up in it (come on)	Baby, you a song
So, baby, you a song	You (21) me wanna roll my (22)
You make me (11) roll my windows down	down
And cruise	And cruise
I got my windows down	Down a back road (23) stop
And the radio up, get your radio up	Signs through the middle
Yeah, she was sippin' on Southern	Every little farm town (24) you
And singin' Marshall Tucker	And this brand new Chevy with a lift kit
We were falling in love	Would look a hell a lot better
In the sweet heart of summer	With you up in it (come on)
She hopped right up	Baby, you a song
Into the cab of my (12) and said	You (25) me wanna roll my windows down
"Fire it up! Let's go get this thing stuck!"	And cruise
Baby, you a song	I got my windows down
You (13) me wanna roll my (14)	And the radio up, get your radio up
down	(Get those windows down and cruise)
And cruise	I got my windows down
Down a back road blowin' stop	And the radio up, get your radio up
Signs through the middle	(Get those (26) (27) and cruise)
Every (15) farm town with you	I got my windows down
And (16) brand new Chevy with a lift kit	And the radio up, get your (28) up
Would (17) a hell a lot better
