

Fill in the gaps

Baby you a song	So baby you a song
You make me wanna roll my windows down	You make me wanna roll my windows down
And cruise	And cruise
Hey baby	When that summer sun fell to its knees
Yeah, when I first saw that bikini top on her	I looked at her and she looked at me
She's poppin' right out of the South Georgia water	And I turned on (15) KC lights and drove all
Thought, oh, (1) lord	night
She had them long (2) legs	'Cause it felt so right, her and I, man we (16) so
Couldn't help myself so I walked up and said	right
Baby you a song	I put it in park and grabbed my guitar
You make me wanna roll my (3) down	And (17) a (18) chords
And cruise	And sang from the heart
Down a back road (4) stop	Girl you sure got the beat in my chest bumpin'
Signs through the middle	Hell I can't get you out of my head
Every little farm town with you	Baby you a song
In this brand new Chevy with a lift kit	You make me wanna (19) my windows down
Would look a hell lot better (5) you up in it	And cruise
So baby you a song	Down a back road blowin' stop
You make me wanna (6) my windows down	Signs through the middle
And cruise	Every little farm town with you
She was sippin' on southern	Baby you a song
And singin' (7) Tucker	You make me wanna roll my windows down
We were falling in love	And cruise
In the sweet heart of summer	Down a back road blowin' stop
She hopped right up	Signs (20) the middle
Into the cab of my truck and said	Every little farm (21) with you
Fire it up, let's go get this thing stuck	In (22) brand new (23) with a lift kit
Baby you a song	Would (24) a hell lot better (25) you up
You (8) me wanna (9) my	in it
(10) down	Come on
And cruise	Baby you a song
Down a back road blowin' stop	You make me (26) roll my windows down
Signs (11) the middle	And cruise
Every little farm town with you	Come on girl
In (12) brand new Chevy with a (13) kit	Get those windows down and cruise
Would look a hell lot better (14) you up in it	(Aww yeah)
