Had an epiphany, and this what it seems	Look (17) (18) all got the same
These (1) mirrors don't (2)	face on
believe	I'm (19) by the phone
For far too (3) they've (4) plottin on me	(20) call me
The stories unfolding now, it's a conspiracy	Bring me to life
Starting to feel like a deja vu	Show me how to live
I remember being here	Cause I lose control, (21) like Neo
Must be a glitch in the matrix	In the matrix, I just wanna live
Look (5) they all got the same face on	I (22) wanna live (oh woah)
I'm standing by the phone (6) call me	I took a red and a (23) pill, now I
Bring me to life	Can't decide what's make (24) or real am I
Show me how to live	Awake or am I still asleep?
'Cause I (7) control, (8) like Neo	It's killing me
In the matrix, I just wanna live	I (25) you, you gotta help me
I (9) wanna live (oh woah)	I'm part human, (26) android
I took a red and a blue pill, now I	I need your power so you can't judge me
Can't (10) what's make believe or real am I	Judge me
Awake or am I (11) asleep?	(Oh woah) stuck in the matrix
It's (12) me	(Oh) (27) me to life
Until the (13) I (14) to know	Bring me to life
What I was supposed to do	Show me how to live
She said I see on my own	'Cause I lose control, feeling like Neo
And the craziest thing is (15) you already know	In the matrix
How to decipher the signs	I just wanna live
On the side of the (16) oh woah	I (28) wanna live (oh woah)
Starting to feel like a deja vu	
I remember being here	
Must be a glitch in the matrix
