

## Fill in the gaps

Had an epiphany, and this what it seems		Look around they all got the same face on
These smoking (1)	don't wanna believe	I'm standing by the phone someone call me
For far too (2) the	y've been plottin on me	Bring me to life
The stories unfolding now, it's a conspiracy		Show me how to live
Starting to feel like a deja vu		Cause I lose control, feeling (5) Neo
I remember being here		In the matrix, I just wanna live
Must be a glitch in the matrix		I just wanna live (oh woah)
Look around they all got the same face on		I took a red and a blue pill, now I
I'm standing by the phone someone call me		Can't decide what's (6) believe or real am
Bring me to life		Awake or am I still asleep?
Show me how to live		It's killing me
'Cause I lose control, feeling like Neo		I need you, you gotta help me
In the matrix, I just wanna live		I'm part human, part android
I just wanna live (oh woah)		I need your power so you can't (7) me
I took a red and a blue pill, now I		Judge me
Can't (3) what	at's make believe or real am I	(Oh woah) stuck in the matrix
Awake or am I still asleep?		(Oh) bring me to life
It's killing me		Bring me to life
Until the oracle I wanted to know		Show me how to live
What I was supposed to do		'Cause I lose control, (8) like Neo
She said I see on my own		In the matrix
And the craziest thing is that you already know		I just wanna live
How to decipher the signs		I (9) wanna live (oh woah)
On the side of the road oh woah		
Starting to (4) like a deja vu		
I remember being here		
Must be a glitch in the matrix
