All the pretty girls on a Saturday night	Will you break and take all the words from my mouth?
So I call your name, cross my fingers	I wish all the pretty girls were shaking me down
Uncross the others, hesitate	But not you
(Oh) I don't think straight	You still wear (6) and your hair is too long
With nothing to prove	And then this one
I don't wanna say I'm leaving	Doesn't want to admit she's fallen in love
I'll stay until the weekend	(Oh) c'mon (oh) c'mon what's a boy to do
You can take all your things	When all the pretty (7) can't measure to you?
The boxes and rings	I don't understand your reasons
And get going	Please just stay over the weekend
'Cause I've been waiting for	You can't take all those things
All the pretty girls on a Saturday night	They (8) you and me
Let it be, and (1) to me with the look in your eyes	Everything we've become
Will you break and take all the (2) from my	You're all that I need
mouth?	Please don't make me face my generation alone
I wish all the pretty girls	All the pretty girls on a Saturday night
Were shaking me down, so I call	Let it be, and come with me
I call you out	With the look in your eyes
Just to feel a little better about myself	Will you break and take all the words from my mouth?
(He does) I do (you do)	I wish all the pretty girls were (9) me down
Baby I do, I do, I do	But not you
Till (3) lips (4) to move	I feel your faith is destroying the world
And their friends wanna talk music	And then this one never really understood
I say "I've never heard the tune"	The 80s is over and done
But I have, I just hate the band	(Oh) c'mon, what's a boy to do
'Cause they remind me of you	When all the pretty girls can't measure to you?
Every single night ends up the same	All the pretty girls on a Saturday night
I don't say much at all, but I bring up your name	All the pretty girls on a Saturday night
(Over and over and over)	All the pretty girls on a (10) night
I think it's striking me out	All the pretty girls on a Saturday night
All the pretty girls on a Saturday night	
Let it be, and come with me
