Goin' Crazy by Dizzee Rascal & Robbie Williams

Every single morning	I believe I'm losing my mind
Wake up in the afternoon	Living in a bubble
(Yeah)	My life is a puzzle
Cover up the mirror	I'm caught in the rubble
Just to get a better view	Now pass me a shovel
(Yeah)	Now pass me a shot
Been around the (1) and	And make it a double
Never even left the room	I'm a whole lot of trouble
(Aah)	And I don't do subtle
And I	It's all or nothing
I can't figure out	I don't wanna juggle
Why	No crabs in a bucket
So I just scream and shout	I don't wanna huddle
I believe I, I believe I	I've got my own name
I (2) I, I believe I	Trying to figure out the whole game
I'm going crazy, going crazy, going crazy	Going insane
I believe I'm losing my mind	One fifty in the slow lane
Everybody's looking at me	Getting ahead of myself
But I don't see them	I've what (7) thinking how can I better
Living for the weekend	myself
Caught in the (3) end	Should I be somebody else
Trying to tread water	Should I be pacing myself
Do it for my unborn daughter	My car's a rocket, and if I get too carried away
Lamb to the slaughter	I wouldn't know (8) to stop it, yo
Life's getting shorter	I
Trying to get high off a quarter	I can't figure out
I'm fly in a saucer, my (4) is a corker	Why
Star, pop bottles, date top models	So I just scream and shout
Middle finger in the air	I believe I, I believe I
Not a care, going full throttle	I believe I, I believe I
Where's the love though	I'm (9) crazy, going crazy, going crazy
Nobody cares about that	I believe I'm losing my mind
Where's the club, where's the drugs though	I'm (10) to get a hold of
Front row	Trying to get a hold of you
Follow the flow, Megaupload	()
Feel the adrenaline rush	Trying to get control of
Who's the mug though, I don't know	Trying to get control of me
I	()
I can't figure out	Trying to get a hold of (I believe I)
Why	Trying to get a hold of you (I'm going crazy)
So I just scream and shout	(Going crazy, going crazy)
I believe I, I (5) I	()
I believe I, I (6) I	
I'm going crazy, going crazy, going crazy
