

Fill in the gaps

Father Figure by George Michael

That's all I wanted, something special	Till the end of time
Something (1) in your eyes	If you are the desert, I'll be the sea
For just one moment, to be bold and naked at your side	If you ever hunger, hunger for me
Sometimes I (2) (3) you'll never	Whatever you ask for, that's (18) I'll be
understand me	So when you remember the ones who have lied
Maybe this time is forever, say it can't be	Who said that they cared
That's all you wanted, something special	But then laughed as you cried
Someone sacred in your life	Beautiful darling, don't (19) of me
Just for one moment, to be warm and naked at my side	Because all I ever wanted
Sometimes I think that you'll never understand me	It's in your eyes baby, baby
But (4) tells me together, we'd be	And love can't lie, no
happy	(Greet me with the eyes of a child)
I (5) be your (6) figure	My (20) is always telling me so
(Oh, baby)	(Heaven is a (21) and a smile)
Put your tiny hand in mine	Just hold on, hold on
(I'd love to)	I won't let you go, my baby
I will be (7) (8) teacher	I will be your father figure
(Be your daddy)	Put (22) tiny hand in mine
Anything you have in mind	I (23) be your (24) teacher
(It would make me)	Anything you have in mind
I (9) be (10) father figure	I (25) be your father figure
(Very happy)	I have had enough of crime
I have had enough of crime	So I am gonna love you
(Please let me)	Till the end of time
I will be the one who loves you	I will be (26) father
Till the end of time	I will be your preacher
That's all I wanted	I'll be (27) daddy
But sometimes love can be mistaken for a crime	I will be the one who loves you
That's all I wanted, (11) to see my baby's blue	Till the end of time
eyes shine	
This time I think that my (12) understands me	
If we have faith in (13) (14) then we	
can be strong	
I will be your father figure	
Put your tiny hand in mine	
I (15) be your preacher teacher	
Anything you have in mind	
I will be (16) (17) figure	
I have had enough of crime	
I will be the one who loves you
