

As my wife

Fill in the gaps

If You're Not The One by Daniel Bedingfield

If you're not the one	I don't know why you're so far away
Then why does my (1) feel glad	But I know that this much is true
Today	We'll (13) it through
If you're not the one	And I (14) you are
Then why does my hand fit yours	The one I share my (15) with
This way	And I (16) that you
If you are not mine	Could be the one I die with
Then why does (2) heart return	And I pray in you're the one I
My call	Build my home with
If you are not mine	I hope I love you all my life
Would I have the strength to stand	I don't (17) to run away
At all	But I can't take it, I don't understand
I never know what the future brings	If I'm not made for you then
But I know you are (3) (4) me now	Why (18) my heart tell me (19) I am
We'll make it through	Is there any way that I can stay
And I (5) you are the one I share my (6)	In your arms
with	'Cause I miss you
I don't want to run away	Body and soul so strong
But I can't take it, I don't understand	That it takes my breath away
If I'm not (7) for you then	And I breathe you
Why does my (8) tell me that I am	Into my heart
Is (9) any way that I can stay	And pray for the (20) to stand today
In your arms	'Cause I (21) you
If I don't need you	Whether it's wrong or right
Then why am I crying on	And though I can't be with you tonight
My bed	You know my heart is by (22) side
If I don't (10) you	I don't want to run away
Then why does your (11) resound	But I can't (23) it, I don't understand
In my head	If I'm not made for you then
If you're not for me	Why (24) my heart (25) me that I am
Then why does this (12) maim	Is there any way (26) I can stay
My life	In your arms
If you're not for me	
Then why do I dream of you
