Miracle of miracles		You say why
Look (1) the night dragged in		Don't ask me why
It's a (2) of misery		I don't love you anymore
And (4) on the wind		I don't think I (13) did
You spoiled the best years of your life		And if you (14) had any kind of love for me
You took them all in vain		You kept it all so well hid
Now you think that you're forgiven		You spoiled the best years of (15) life
But you can't be (5) again		You (16) them all in vain
You say why		Now you (17) that you're forgiven
You say why		But you can't be born again
You say why		You say
Don't ask me why		(Why, why, why, why, why, why, why, why)
I don't love you anymore		You say
I don't (6) I ever did		(Why, why, why, why, why, why, why, why)
And if you (7) had any kind of (8)	for me	I don't love you anymore
You (9) it all so well hid		I don't (18) you anymore
Promises sweet		I don't love you anymore
Promises		I don't (19) you anymore
You kept (10) from your mind		You say why (I don't love you anymore)
Like all the lost forgotten things		You say why (I don't love you anymore)
You never (11) to find		You say why (I don't love you anymore)
Like all the disappointments		Don't ask me why (I don't love you anymore)
You displayed (12) your shelf		You say why (I don't (20) you anymore)
Now you've got no one to turn to		You say why (I don't love you anymore)
You've got		You say why (I don't (21) you anymore)
No one but yourself		(Don't ask me why)
And you say why		
You say why
