

They keep wanting that (hot and fun)

Look at you

## Fill in the gaps

## Hot-n-Fun by N.E.R.D. & Nelly Furtado

Okay, we wrote this for a purpose	Look at me
To (1) you at this time	Look at you
With this hypnotizing bassline	Look at me
Please feel free to lose your mind	Hot and fun
And get high, get money, get sex, get real	Hot and fun
All intertwined	Everybody's breathing
Oh yeah, this is stadium music	Love into lust
Fifty thousand at a time	So many reasons
Let's get right, let's get right	To save the cast
Let's get right, okay, okay	'Cause it's the season
Let's get right, let's get right	To a new day
Let's get right, okay, okay	People don't want to think no more
All the girls (2) (hot and fun)	They (3) (4) to feel
All they looking for is (hot and fun)	They want to let go
All they ask for is (hot and fun)	Let's get right, let's get right
They keep wanting that (hot and fun)	Let's get right, okay, okay
Look at you	Let's get right, let's get right
Look at me	Let's get right, okay, okay
Look at you	All the girls want (hot and fun)
Look at me	All they looking for is (hot and fun)
Hot and fun	All they ask for is (hot and fun)
Hot and fun	They (5) wanting that (hot and fun)
Let it go	Look at you
Let it go	Look at me
Homeboy, she's dancing for a reason	Look at you
Not just 'cause on I'm on her hind	Look at me
Homeboy, it's	Hot and fun
Totally obvi	Hot and fun
You don't be listening to her mind	Everybody's breathing
She wanna get right, get money, get sex, get real	Love (6) lust
All intertwined	So many reasons
This is	To (7) the cast
Stadium music	'Cause it's the season
Fifty thou jumping at a time	Come on
Let's get right, let's get right	Let's get right, let's get right
Let's get right, okay, okay	Let's get right, okay, okay
Let's get right, let's get right	Let's get right, let's get right
Let's get right, okay, okay	Let's get right, okay, (8) (let it go)
All the girls want (hot and fun)	Hello
All they looking for is (hot and fun)	I miss you
All they ask for is (hot and fun)	

## 1. motivate

- 2. want
- 3. just
- 4. want
- 5. keep
- 6. into
- 7. save
- 8. okay
