

Fill in the gaps

High dive into frozen waves
Where the past comes back to life
Fight fear for the selfish pain
And it's worth it (1) time
Hold still right before we crash
'Cause we both know how this ends
Our clock ticks till it breaks (2) glass
And I drown in you again
'Cause you are the (3) of me
I wish I didn't need
Chasing relentlessly
Still fight and I don't know why
If our (4) is tragedy
Why are you my remedy?
If our love's insanity
Why are you my clarity?
If our love's tragedy
Why are you my remedy?
If our love's insanity
Why are you my clarity?
Walk on through a red parade
And (5) to make amends
It (6) deep (7) our ground

And (8) us forget all common sense
Don't speak as I try to leave
'Cause we both know what we'll choose
If you pull then I'll push too deep
And I'll fall right back to you
'Cause you are the piece of me
I wish I didn't need
Chasing relentlessly
Still (9) and I don't know why
If our love is tragedy
Why are you my remedy?
If our love's insanity
Why are you my clarity?
Why are you my clarity?
Why are you my remedy?
Why are you my clarity?
Why are you my remedy?
If our love is tragedy
Why are you my remedy?
If our love's insanity
Why are you my clarity?
