

Fill in the gaps

High dive into frozen waves	And makes us forget all common sense
Where the (1) comes (2) to life	Don't (9) as I try to leave
Fight fear for the selfish pain	'Cause we both know (10) we'll choose
And it's worth it every time	If you pull then I'll push too deep
Hold still right before we crash	And I'll fall (11) (12) to you.
'Cause we both know how this ends	'Cause you are the piece of me
Our (3) ticks (4) it breaks your glass	I (13) I didn't need
And I drown in you again	Chasing relentlessly
'Cause you are the (5) of me	Still (14) and I don't know why
I wish I didn't need	If our love is tragedy
Chasing relentlessly	Why are you my remedy?
Still fight and I don't know why	If our love's insanity
If our love is tragedy	Why are you my clarity?
Why are you my remedy?	Why are you my clarity?
If our love's insanity	Why are you my remedy?
Why are you my clarity?	Why are you my clarity?
If our love's tragedy	Why are you my remedy?
Why are you my remedy?	If our (15) is tragedy
If our love's insanity	Why are you my remedy?
Why are you my clarity?	If our love's insanity
Walk on through a red parade	Why are you my clarity?
And (6) to (7) amends	
It (8) deep through our ground
