SUB inglés

Fill in the gaps

Can't Hold Us by Macklemore & Ryan Lewis

(But so we put our has up)				
Alright, ok				
Alright, ok				
Return of the Mac				
Get them what it is, what it does				
What it is, what it isn't				
Looking for a better way to get up out of bed				
stead of (1) on the internet				
And checking out who hit me, get up				
Thrift shop, pimp strut walking				
Little bit of humble, little bit of cautious				
Somewhere (2)	(3)	Rocky and Cosby		
Sweater game nope (4)	you all can't	(5) (yup)		
Bad, moonwalking, it is here, it's our party				
My posse's been on Broadway				
And we did it our way, throne music				
I shed my skin				
And put my bones into everything I record to it				
And yet I'm on				
Let that stage light				
Go and shine on down				
Got that Bob Barker suit game and plinko in my style				
Money				
Stay on my craft and stick around for those pounds				
But, I do that to pass the torch				
And put on for my town				
Trust me				
On my I-N-D-E-P-E-N-D-E-N-T shit hustling				
Chasing dreams (6) I was fourteen				

Halfway cross that city (7)	the backpack, fat cat
Crushing labels out here	
No they can't tell me nothing	
We give that to the people	
Spread it across the country	
Labels out here	
No they can't tell me nothing	
We give it to the people	
Spread it across the country	
Here we go back	
This is the moment	
Tonight is the night	
We'll fight till it's over	
So we put our hands up	
Like the ceiling can't hold us	
Like the ceiling (8)	hold us
Here we go back	
This is the moment	
Tonight is the night	
We'll fight till (9)	_ over
So we put our hands up	
Like the ceiling (10)	hold us
Like the ceiling can't (11)	us
Now can I kick it, thank you	
Yeah I'm so (12) gr	ateful
I (13) up, really war	nted gold fronts
But that's what you get (14)	Wu-Tang raised you
You all (15)	stop me
Go hard like I got an eight o ei	ght in my heart beat

And I'm eating at the beat

Like you gave a (16)	speed		
To a great white shark on shark	week, raw		
Time to gone off, I'm gone			
Deuces goodbye			
I got a world to see			
And my (17) she (18	3) see Rome		
Ceasar will make you a believer	, no		
I never ever did it for a throne			
That validation comes			
From (19) it bac	ck to the people, no		
Sing the song and it goes like			
Raise those hands, this is our pa	arty		
We came here to live life			
Like (20) was w	atching, I got my city		
Right behind me, if I fall, they got me			
Learn from that failure (21)	humility		
And then we keep marching ourselves (here we go back)			
This is the moment			
Tonight is the night			
We'll fight till it's over			
So we put our hands up			
Like the (22)	can't (23) us		
Like the ceiling can't hold us			
Here we go back			
This is the moment			
Tonight is the night			
We'll fight (24) it's over			
So we put our hands up			
Like the (25)	can't hold us		

(But so we put our hand up)
(But so we put our hands up)
Let's go
(Na na na na na na na)
And all my (27) say
(Na na na na na na na)
That's right, here we go
And all my people say
(Na na na na na na na)
(That's alright)
(Oh)
And all my people say
(Na na na na na na na)
(Macklemore)
Let the night come
Before the fight's won
Some (28) run
Against the test
But those that triumph
Embrace the fight 'cause
It be as there to prove
That courage exists, come on
Now let the night come
Before the fight's won
Some (29) run
Against the test
But those that triumph
Embrace the fight 'cause

It be as there to prove

- 1. getting
- 2. between
- 3. like
- 4. nope
