The future seemed so bright	Just gonna stand (14) and (15) me
Then this thing turned out so evil	burn
I don't know why I'm (2) surprised	But (16) all right because I like the way it
Even angels have	hurts
Their wicked schemes	Just (17) stand (18) and
And you take that	(19) me cry
To new extremes	But that's all right (20) I (21) the
But you'll always be my hero	way you lie
Even (3) you've lost your mind	I love the way you lie
Just (4) stand there and watch me burn	(Ohhh)
But (5) all right because I like the way it	I (22) the way you lie
hurts	(Ohhh)
Just gonna stand (6) and hear me cry	So maybe I'm
But that's all (7) because I love the way you lie	A masochist
I (8) the way you lie	I try to run
(Ohhh)	But I don't wanna ever leave
I love the way you lie	Till the walls
Now there's (9) in our voices	Are (23) up
Glass is shattered (10) the fight	In smoke with all
In this tug of war	Our memories
You'll always win	Just (24) stand (25) and watch me
Even when	burn
I'm right	But that's all right because I like the way it hurts
Cause you (11) me fables (12) your	Just (26) (27) there and hear me
hand	cry
With violent words and empty threats	But that's all right because I love the way you lie
