## Love The Way You Lie Part 2 by Rihanna

On the first page of our story	Satisfied
The future seemed so bright	Just gonna stand there and (7) me burn
Then this thing turned out so evil	But that's all right because I (8) the way it hurts
I don't know why I'm still surprised	Just gonna stand there and hear me cry
Even (1) have	But that's all right because I (9) the way you lie
Their (2) schemes	I love the way you lie
And you take that	(Ohhh)
To new extremes	I love the way you lie
But (3) always be my hero	(Ohhh)
Even though you've lost your mind	So maybe I'm
Just (4) stand there and watch me burn	A masochist
But that's all right because I like the way it hurts	I try to run
Just gonna stand (5) and (6) me cry	But I don't (10) ever leave
But that's all right because I love the way you lie	Till the walls
I love the way you lie	Are going up
(Ohhh)	In smoke with all
I love the way you lie	Our memories
Now there's gravel in our voices	Just gonna stand there and watch me burn
Glass is shattered from the fight	But that's all right because I like the way it hurts
In this tug of war	Just gonna stand there and hear me cry
You'll always win	But that's all right because I love the way you lie
Even when	I love the way you lie
I'm right	I love the way you lie
'Cause you feed me fables from your hand	I love the way you lie
With violent words and empty threats	
And it's sick that all these battles	

- 1. angels
- 2. wicked
- 3. you'll
- 4. gonna
- 5. there
- 6. hear
- 7. watch
- 8. like
- 9. love
- 10. wanna
