## The Haunting (Somewhere In Time) by Kamelot & Simone Simons

Merely the sound of your voice	Leave while you can
Made me believe that	Somewhere in time I will find you and haunt you again
That you were her	Like the wind sweeps the earth
Just like the river disturbs	Somewhere in time when no virtues are left to defend
My inner peace	You fall in deep
Once I believed I could find	I was a liar in every debate
Just a trace of her beloved soul	I rule the forces that fueled (4) hate
Once I believed she was all	When the cold in my $(5)$ it
Then she smothered my beliefs	comes to an end
One cold winter's night	And quietly I'll go to sleep
I may follow her voice to the river	Follow me into the light
Somewhere in time I will find you and (1) you	Like ice on a lake of tears
again	I'll (7) you through
Like the wind sweeps the earth	Or leave me tonight
Somewhere in time when no (2) are left to	I've gone too far to begin all anew
defend	With someone like you
You (3) in deep	Somewhere in time I will find you and love you again
How could that first time recur	Like the wind (8) the earth
When memories linger	Somewhere in time when no virtues are left to defend
On and on	You've fallen deep
What made me think you were her	I was a liar in every debate
Helena is dead to all	I rule the forces that fueled your hate
Dead to all	When the (9) in my heart leaves it comes to an end
Nothing can bring her to life	Quietly I'll go to sleep
Don't pretend that I'll be loving you
