

Fill in the gaps

The Haunting (Somewhere In Time) by Kamelot & Simone Simons

Merely the sound of your voice	Leave while you can
Made me believe that	Somewhere in (13) I will find you and haunt you
That you (1) her	again
Just like the river disturbs	Like the (14) sweeps the earth
My inner peace	Somewhere in time (15) no virtues are left to
Once I believed I (2) find	defend
Just a (3) of her beloved soul	You fall in deep
Once I believed she was all	I was a liar in every debate
Then she smothered my beliefs	I rule the (16) that fueled your hate
One cold winter's night	When the (17) in my heart leaves it comes to an
I may follow her voice to the river	end
Somewhere in time I (4) find you and	And quietly I'll go to sleep
(5) you again	Follow me into the light
Like the wind sweeps the earth	Like ice on a lake of tears
Somewhere in time when no virtues are left to defend	I'll take you through
You fall in deep	Or (18) me tonight
How (6) that first time recur	I've gone too far to begin all anew
When (7) linger	With someone (19) you
On and on	Somewhere in (20) I will find you and love you
What made me think you (8) her	again
Helena is dead to all	Like the wind sweeps the earth
Dead to all	Somewhere in (21) when no virtues are
Nothing can bring her to life	(22) to defend
Don't pretend that I'll be (9) you	You've fallen deep
Once I (10) she was gone	I was a liar in (23) debate
I corrupted (11) within	I (24) the forces that fueled your hate
Leave, (12) me for now and forever	When the cold in my (25) leaves it comes to an
	end
	Quietly I'll go to sleep
