## The Haunting (Somewhere In Time) by Kamelot & Simone Simons

Merely the sound of your voice	Leave (4) you can
Made me believe that	Somewhere in time I will find you and haunt you again
That you were her	Like the (5) sweeps the earth
Just like the (1) disturbs	Somewhere in (6) (7) no virtues are left
My inner peace	to defend
Once I believed I could find	You fall in deep
Just a trace of her beloved soul	I was a liar in every debate
Once I believed she was all	I rule the forces that fueled your hate
Then she smothered my beliefs	When the cold in my heart leaves it comes to an end
One cold winter's night	And quietly I'll go to sleep
I may follow her voice to the river	Follow me (8) the light
Somewhere in time I (2) find you and haunt you	Like ice on a lake of tears
again	I'll take you through
Like the wind sweeps the earth	Or leave me tonight
Somewhere in time when no virtues are left to defend	I've gone too far to begin all anew
You fall in deep	With someone like you
How could (3) first time recur	Somewhere in time I will find you and love you again
When memories linger	Like the wind sweeps the earth
On and on	Somewhere in time when no virtues are left to defend
What made me think you were her	You've (9) deep
Helena is dead to all	I was a liar in (10) debate
Dead to all	I rule the forces that fueled your hate
Nothing can bring her to life	When the cold in my heart leaves it comes to an end
Don't pretend that I'll be loving you	Quietly I'll go to sleep
