## Face Down by The Red Jumpsuit Apparatus

Hey, girl, you know you drive me crazy	She said "this doesn't hurt"
One look puts the rhythm in my hand	She (7) "I finally had enough"
Still I'll never understand why you hang around	Face down in the dirt
see what's going down	She said "this doesn't hurt"
Cover up with makeup in the mirror	She said "I finally had enough"
Fell yourself, it's never gonna happen again	One day she will tell you
ou cry alone and then he swears he loves you	That she has had enough
Do you feel like a man	It's coming round again
When you push her around?	Do you feel like a man
Do you feel (1) now	When you (8) her around?
As she (2) to the ground?	Do you feel better now
Vell I'll tell you my friend	As she falls to the ground?
One day this world's going to end	Well I'll tell you my friend
As your lies crumble down	One day this world's going to end
A new life she has found	As your lies crumble down
A pebble in the water makes a ripple effec	A new life she has found
Every action in (3) world will bear a consequence	Do you (9) like a man
f you (4) (5) forever, you will	When you push her around?
surely drown	Do you feel better now
see what's going down	As she falls to the ground?
see the way you go and say you're right again	Well I'll tell you my friend
Say you're (6) again, heed my lecture	One day this world's going to end
Do you feel like a man	As your lies crumble down
When you push her around?	A new life she has found
Do you feel better now	Face down in the dirt
As she falls to the ground?	She said "this doesn't hurt"
Vell I'll tell you my friend	She (10) "I finally had enough
