## In One Ear by Cage The Elephant

They say that we ain't got the style	But it (7) in one ear
We ain't got the class	And right out the other
We ain't got the class  We ain't got the tunes	People talkin' ****
That's goin to put us on the map	Even though they never bother
And I'm a phony in disguise	It goes in one ear
Trying to make the radio	And right out the other
'm an anti-social anarchist	People talkin' ****
sound like so and so	They can kiss the back of my hand
They say I'm just a stupid kid	You hear that?
Another crazy radical	You hear what's coming?
Rock and roll is dead	(Oh) you (8) run for the hills
probably should've stayed in school	'Cause we're (9) to your town
Another generation X	And we're gonna burn that ********** down
Who somehow slipped up through the cracks	
(Oh) they'd love to see me fall	Here's the moral to the story
But I'm (1) on my back	We don't do it for the glory
So it goes In one ear	We don't do it for the money
And (2) out the other	We don't do it for the fame
People talkin' ****	So all the critics who despise
But you know I never bother	Go ahead and criticise
t goes in one ear	It's your tyranny that drives us
And (3) out the other	Adds the fire to our flames
People talkin' ****	And it goes in one ear
They can kiss the back of my hand	And (10) out the other
Now I (4) I'm not a saint	People talkin' ****
been a sinner all my life	But you know we'll never bother
ain't trying to hide my flaws	It goes in one ear
'd rather keep (5) in the light	And right out the other
They wanna criticise, scrutinize	I'm only playing music
Cast another stone	'Cause you know I ****** love it
Burn me at the stake	It goes in one ear
And sit and watch it from their throne	And right out the other
They say the devil is my pal	People talkin' ****
do a lotta drugs!	But you know I never bother
The crowd will only like me	It goes in one ear
f they're really ****** drunk	And right out the other
They think they know my thoughts	People talkin' ****
But they don't know the list	They can kiss the back of my hand
f they listen to the words	
They'd find a message (6) beneath
